Leadership Projects: Individual Projects of Class 1**

Tatiana Fedik

President of the Ukrainian Psychiatric Nurses' Association

PROJECT AIM/GOAL:

At third conference of Psychiatric Nurses of Ukraine, we realized that many potential attendees did not receive the invitations. We always used channels available through MoH. Communication for nursing association is our goal

MEASUREMENT:

- Development of database

PLAN:

1. Clarification of contact names, numbers, email using resources at MoH
2. Compile and mail newsletters to disseminate our goals, plans, accomplishments by approaching new and existing organizations
3. Evaluate feedback during nursing conference
4. Convene task force meeting
5. Define and disseminate information re: future meetings
6. Convene nursing conference
