President of the Georgian Nursing Association

PROJECT AIM/GOAL:

- Develop a certification program for nurses in Georgia

MEASUREMENT:

- Initiate process by February, 2000
- Nurse satisfaction will be measured, i.e., kind of certificate obtained

PLAN:

1. Discuss purpose with MoH
2. Communicate with nurses of the region; dissemination
3. Need MoH to issue a decree specifying that he believes that the training is needed to ensure certification/MoH is responsible for approving training and format of certificate
4. November nursing conference is planned/an election campaign will occur at that time, which may facilitate dissemination
5. Develop action plan
