

**AIHA Nursing Toolkit
Leadership Projects: Individual Projects of Class 1**

Edward Ovsianikov
ppspbns@hotmail.com

PROJECT AIM/GOAL:

- To organize a nursing institute to educate nursing leaders and staff, using the resources of the NLRC and the post-graduate school of nursing in St. Petersburg

MEASUREMENT:

- Increase in number of nurses with changed mentality, enhanced education, and practice standards
- Increase in nursing faculty

PLAN:

1. Analysis of regional needs in specific educational programs/knowledge base
2. Examination of legislative situation to ensure validity of documents
3. Develop plans for thematical seminars in the regions
4. Select appropriate teaching team/mix of international faculty
