**Pediatric Polyclinic #14 in Narimanov**

**PROJECT AIM/GOAL:**

Enhancing effectiveness of Primary Care for refugees

**OBJECTIVES:**

- Create teams of nurses capable of providing Primary Care for the groups of refugees and internally displaced individuals (IDPs) with an emphasis on Maternal and Child Care

**EVALUATION CRITERIA:**

Implementation of Primary Care programs for refugees and IDPs

**PLAN:**

1. Team building
2. Develop the training programs for nurses
3. Identifying physicians for conducting the training sessions
