NURSING RESOURCE CENTER ASSESSMENT: USER SURVEY

INSTRUCTIONS FOR THE INTERVIEWER

Note: Please make multiple copies of this form and have available during your site visit to the NRC.

1. Introduce yourself and explain the purpose of the survey: to learn about who uses the NRC and for what purposes, and what users think about the NRC.
2. Emphasize that the interview is anonymous and that you are interested in honest answers.
3. Stress that there are no right or wrong answers.
4. Read each question carefully.
5. In most of the questions you'll find a list of possible answers. Do not read the list to the respondent. Wait for his/her answer and check the appropriate box. If the answer given by the respondent is not included in the list – write the answer in the field “Other.”
6. Questions 9-10 do not include a list of possible answers. Note down respondent's comments in the designated area. If additional space is required, write on the back of the form.
7. Thank respondent for participating.
